Headline:
Mostly dry but cloudy.

Today:
A mainly dry and rather cloudy day, although some bright spells are expected, the best of these through Dundee, Angus and Fife. A little patchy rain possible, most likely across Stirlingshire and west Perthshire. Maximum temperature 12 deg C (54 deg F).

Tonight:
Cloudy with patchy rain this evening and into the early hours, but the rain becoming more widespread and occasional heavy by dawn. A mild night with strengthening southwesterly winds. Minimum temperature 7 deg C (45 deg F).

Saturday:
Cloudy with outbreaks of rain, heavy and persistent in the west, but occasional drier interludes in the east. Some dry and brighter spells by dusk. Windy with coastal gales. Maximum temperature 13 deg C (55 deg F).

Outlook for Sunday to Tuesday:
Strong to gale force winds at first on Sunday, perhaps severe through Angus. A dry start in the east on Monday, but turning wet and windy. Brighter with showers Tuesday.
